# Westcott Remembers Guidelines

Westcott Neighborhood Association (WNA) values the contributions that our residents and former residents have made to the life of our neighborhood. We have partnered with Petit Library to create *Westcott Remembers*, a portion of the Library's front brick patio, to recognize and honor those who have contributed to the Westcott community, whether they have passed on (to another community or are no longer living) or continue to contribute. WNA will maintain a notebook containing a short biography of each person for whom a brick is placed.

**We invite you to purchase a brick as a tribute to an individual who has made significant contributions to the Westcott community.**

To purchase a brick to be placed in the *Westcott Remembers* area of the Petit Library Garden, please send the following to the Westcott Neighborhood Association at 826 Euclid Avenue, Syracuse, NY 13210:

- Check made payable to OCPL Trustees Gift Fund for correct amount depending on brick size (\$25-\$50 for small, \$60-\$100 for large)
- Completed Westcott Remembers form (on reverse)
- Short biography of the individual being honored focusing on their contributions to the Westcott neighborhood (500 words maximum)

**For more information, please email the Westcott Neighborhood Association at [wenanation@gmail.com](mailto:wenanation@gmail.com).**

All contributions will be reviewed and approved by the Westcott Neighborhood Association before being placed in the Westcott Remembers portion of the Petit Garden.
